FALL OWNER DRIVE

From now until November 5th, we're running our Fall Owner Drive, and inviting as many folks as possible to join the DCM team! Being an Owner at the Durham Co-op Market means you get to be a part of a community where everyone is welcome. You get to work alongside other dedicated people working towards a local economy, environmental sustainability and equity. AND it means you get to eat really, really good food every day! During the Fall Owner Drive, new owners receive 10% off every purchase for six weeks. Ask any staff member during your next visit how to become an Owner. The Co-op wouldn't be what it is without the fantastic community that comes through the front doors everyday!
